

Blooming Haddington Wheelbarrow Trail 2022

Blooming Haddington are a group of volunteers dedicated to creating colourful floral displays and enhancing a sense of pride throughout the town. We started the wheelbarrow trail, as part of our entry to the 2019 Britain in Bloom competition. Last year, we were awarded a 'Gold' in the medium town category by Keep Scotland Beautiful.

This year we have registered to enter the 2022 Keep Scotland Beautiful competition, and the KSB theme for this year is **'Year of Stories'**.

This year's Wheelbarrow Trail will be split into 5 categories, and feature in our presentation to the Keep Scotland Beautiful judges.

The aim is to have wheelbarrows around Haddington brightening up our streets for the wider community to appreciate. We are looking for inspirational and quirky entries so please give it your full wheelbarrow creativity around the theme

'Year of Stories'
